## IN THE SENATE OF THE UNITED STATES

MAY 20 (legislative day, APRIL 15), 1985

Mr. DURENBERGER (for himself and Mr. LEAHY) introduced the following joint resolution; which was read twice and referred to the Committee on the Judiciary

---

## JOINT RESOLUTION

To designate the week of June 2, 1985, through June 8, 1985, as "National Intelligence Community Week".

Whereas the work of the men and women of the Intelligence Community is essential to the national security of the United States and to the cause of freedom and democracy throughout the world;

Whereas the dedication of the men and women of the Intelligence Community to the service of their country in difficult and dangerous circumstances abroad, and in arduous intellectually challenging analytical assignments at home, is deserving of special recognition by the Senate and House of Representatives of the United States;

Whereas efforts should be made to foster an understanding and appreciation on the part of the American people that intelligence is the first line of national defense and that an effec-

tive intelligence capability is vital to the safety and well being of the United States; and

Whereas it is particularly appropriate to recognize the continuing contribution of our intelligence officers during the week of the anniversary of the birth of Nathan Hale, an early patriot, hero, and practitioner of American intelligence, who symbolizes the selfless dedication of our Nation's intelligence personnel: Now, therefore, be it

1       *Resolved by the Senate and House of Representatives*  
2       *of the United States of America in Congress assembled,*  
3       That the week beginning June 2, 1985, through June 8,  
4       1985, is hereby designated as "National Intelligence Com-  
5       munity Week", and the President is authorized and requested  
6       to issue a proclamation calling upon the people of the United  
7       States to recognize the week of June 2, 1985, through  
8       June 8, 1985, as "National Intelligence Community Week".
